Subject: Channel Islands Expeditions Dive Charters | Whalers Dive Club

Hi Dahlia

My name is Bryson and I'm reaching out from [Channel Islands Expeditions](#) to see if Whalers Dive Club would be interested in getting out to the Channel Islands for a dive trip this season.

We are very excited to announce that we are running Truth and Vision (formerly of Truth Aquatics) this summer. Whether you've dived on Truth & Vision in the past or have never been out diving at the Northern Channel Islands, we love getting clubs, dive shop groups, and anyone who wants an epic live aboard dive experience under the water!

I've attached our current charter rates for the 2021 Season. You can also view our public calendar for 2021 [here](#). I'm happy to offer you partial pricing on any of our public dive trips. Both our Northern Islands Three Day Dive & Discover Two Day Dive have space for more divers from July - November. Partial charter pricing is outlined in the attached document.

Please shoot me an email at bryson@channelislandsx.com or give me a call at 805-899-4925 if you have any questions or would like to book a trip.

Looking forward to connecting soon,

Bryson
