R. I. P Whaler Shelly Bern

Shelly is the husband of Elaine. Although Shelly did not dive he did accompany Elaine and us on several trips. He was always so helpful when something went wrong; like food poisoning and boats hitting club members. Our condolences to Elaine and their family

Whaler's 2022 International Trip Schedule

Bonaire** ** Please note the change in dates. Postponed from Jan 7 thru Jan 15 2022*

Start Saturday, June 25, 2022 - End Saturday, Saturday July 2, 2022

Finally getting back to Bonaire after a long wait and a few cancellations. We will dive the island of Bonaire and stay at the Divi Flamingo resort. There are a few rate options, please read carefully. Standard rooms have garden view and deluxe are ocean view/ocean front.

The resort now has a rate that includes all nonalcoholic and alcoholic beverages as well as a full meal plan. Anyone interested, just add 730 to the basic package of your choice.

Basic package:

Included in the basic package: 7 nights' accommodations, airport transfers, breakfast daily, 6 days-2 tank morning boat dives per day, tanks, and weights. The package has standard or deluxe rooms, your choice. I have also reserved one room with kitchenette per request. I have also requested pricing for one afternoon dive each day. If it's prepaid it's lower than being paid on location. Whalers can have a full meal plan or add dinner only. (Breakfast is included in the basic package) Not included is a 45.00 park fee payable directly to the dive shop.

Basic package rates:

Standard room double-1288 per diver, 956 non diver, 1836 single diver.

Deluxe room double 1385 per diver, 1057 non diver, and 2032 single diver.

Standard package with breakfast and dinner only

Double diver 1547 per person, non-diver 1215, single diver 2095,

Standard package with full meal plan

There has only been one request for studio and the rate only includes breakfast

At this point a refundable deposit (60 days prior to departure) of 100.00 is required. I will not be sending deposits yet but need to have it if the resort asks for it. As of now we may have a fairly large group of 21-22 Whalers. Whalers, please let me know which package you have selected. Anyone sending check, please let me know so I'll look for it. Below is the Belize package.

Date to be determined - more information later in 2023

Package includes: 7 nights deluxe room accommodations at the Sun Breeze Resort, Ambergris Cay in San Pedro, Belize. Full breakfast daily

Three days of 2 dives per day

Two days of 3 dives per day

Flight transfer between airport/resort

Rate for double occupancy diver is 1552.00

Single rate is 2173.00

Non Diver double 1115.00

A nonrefundable deposit of 300.00 per person required to confirm reservation.

None of the Belize resorts located on the mainland offer meal plan. We can have lunch and dinner at the resort or find a restaurant within walking distance. There are many nice restaurants located in the hotel vicinity.

Belize is home to the second Great Barrier Reef after Australia. Diving is fantastic. Definitely something to look forward to. Dahlia.....818-715-9158
