We are diving again

Greg, Don and I did three dives on the Spectre on Saturday, and thought you might like this for the monthly newsletter. Conditions were great with beautiful weather. Boat was full, but the crew was fantastic and so was the food. We did one dive at Anacapa (Aquarium) and two at Santa Cruz (Red Bluff and Little Scorpion). Water temperature was 68 degrees at depth and 73 degrees on the surface. It was lots of fun and we hope more folks can join us next time! Kathy
